December 2023:

- ESG backed by **5300+** investors in 2023 representing **U\$121** trillion in AuM
- Assets backing the United Nations PRI multiplied **30x** since April 2006
- PRI Membership **x70** since 53 joined with UN SG Kofi Annan tNTSE in April 2006

- How to get the **attention of your ESG Board** leadership on: financial markets, access to insurance, access to finance, strategic and competitive value, and government relations.
- How do I **compare to my peers** and become a ESG leader within my sector?
- How do I embed **ESG cultural change**?
- What operational **adaptation and resilience** should I prioritise over the coming months?
- How can **risk and insurance colleagues** support a sustainability/ESG strategy?
